2014 RELEASE UNDER E.O. 14176

2022 RELEASE UNDER THE PRESIDENT JOHN F. KENNEDY ASSASSINATION RECORDS ACT OF 1992

1. Pursuant to the discussions held in the Summer and Fall of 1961 between Robert F. WADDELL and JAMES WILSON concerning Wilson's possible status of action by which he could be stripped of his American citizenship, Wilson has made inquiries to determine the feasibility of re-introducing a private bill in Congress, based on AFL-CIO-1's prior services to non-US organizations.

2. WADDELL has advised that AFL-CIO-1 furnished them an extensive "file of minor importance"; the Bureau of Customs and the Immigration Bureau have no record of AFL-CIO-1. WADDELL, after repeated inquiries, has informed us that they cannot locate AFL-CIO-1's file.

3. It would seem that a new private bill would have as little chance of success as the two previously introduced, since a similar case cannot be made for 4-1's prior services, based on the weak or negative reasons noted above, nor is it currently possible to request a legal re-examination of the basis of AFL-CIO-1's action to strip 4-1 of citizenship, since that file is missing.

4. It is recommended, therefore, that the best method whereby AFL-CIO-1 can regain his citizenship is to apply at the nearest Consulate overseas for an immigrant visa. Mexico City is the most likely place. If WADDELL and AFL-CIO-1 agree to do this, Headquarters will be glad to assist in obtaining the visa issuance.

The possible courses of action by which Mr. X's citizenship, Mr. X has made inquiries to determine the feasibility of re-initiating a private bill in Congress, based on AMERICAN-1's past services to himself and other organizations.

2. FBI NY has advised that AGENT-111 informed them information "of other importance"; the Bureau of Customs and the Narcotics Bureau had no record of AGENT-111. FBI NY, after repeated inquiries, was informed by Agent 111 that they cannot locate AGENT-111's file.

It would seem that a new private bill would have to be introduced in the House of Commons to give effect to the two previously introduced bills. It would have to make for Mr. Lyle's prior service, based upon what he has done for the country, not for the sake of his wife, nor it it currently possible to get such a legal recognition of Mr. Lyle's right to strip himself of citizenship, given the fact that he is missing.

... is no problem, therefore, that you can remain in Mexico as long as you like and can regain his citizenship in the United States upon your return from an immigrant visit. Mexico City is the most likely place where you will be able to do this. Headquarters will be glad to furnish you with the visa information.
